COGS Event Funding Guidelines

Revised

January 11, 2012

1 Purposes of Funding

The Council of Graduate Students, as the elected representatives of graduate and professional students, utilizes the funds collected through taxation to partially support a variety of graduate activities and organizations. COGS discretionary funding is used to enhance, encourage, and promote the academic, social, cultural, and economic aims of graduate and professional students. COGS seeks to support events which integrate socially, culturally, or intellectually diverse groups, and those which benefit the greatest number of graduate and professional students. Such events provide the most enriching aspects of graduate education. In order to ensure that funds are readily available throughout the year, the total amount allocated for event funding shall be divided between the Fall, Spring and Summer semesters at a ratio of 2:2:1. Each event funding grant will be charged to the semester in which the event takes place.

2 Eligibility For Funding

Any current MSU organization with graduate or professional students may apply for funding. Because funding is disbursed through university accounts, applicants must have an account with the university. Applicants must be aware that COGS will not agree to be the sole source of funding for any group or event. COGS will not fund revenue positive and/or fund raising events. See next section for more regulations and restrictions.

3 Regulations And Restrictions

1. All funded groups and/or events must promote graduate welfare, strive to provide interdisciplinary or cross-cultural connections, and involve as many graduate and professional students as possible.

2. No event will be entirely funded by COGS. Additionally, COGS will not fund events that are revenue positive or fundraisers, with the exception of charitable events.

3. Applicants must be able to demonstrate that they have actively sought outside funding and have considered alternate sources of income for the event.
4. COGS will not consider funding activities that support political issues, referenda, or candidates for elected office.
5. COGS will not consider applications submitted after an event has passed.
6. Every reasonable effort must be made to make sure all funded activities take place in an accessible (ADA compliant) location. This requirement includes providing necessary interpreters and other special accommodations if requested by a participant with due notice. All advertising or promotional material must include accessibility information.
7. Each funding application must be complete, and include an itemized budget of anticipated expenses and revenues, and include the source(s) of the estimates.
8. Requests for salaries, wages, compensation, registration fees, conference fees, or travel (including, but not limited to, air fare, rental of vehicles, tolls, fares, fuel, and lodging) for persons who are members of the requesting group will be denied.
9. In recognition of COGS support, all advertising, brochures, pamphlets, etc., produced for the event must visibly display the COGS logo or acknowledgement COGS support as a sponsor. Violation will result in full or partial reduction of funding.
10. Funding approval does not guarantee payment; payment may be withheld if any of these guidelines or additional stipulations are intentionally violated.
11. The maximum amount that will be approved for any one group in an academic year is $1,500. In addition, a funding cap of $500 for speaker fees (honoraria) shall be enacted for every funding request, and a funding cap of $150 total for food, beverage, catering and meals is also enacted. No alcoholic beverages will be funded.
12. Graduate and professional students must receive a reduced rate, or not be charged for events which are sponsored by COGS.

4 Application and Submission of Requests

1. All funding requests are to be completed and submitted to the COGS Office located at 316 Student Services Building. Applications must be submitted before the event occurs. Once an application is submitted on time, it will be reviewed by the Finance Committee. If the Finance Committee recommends approval of the funding request, it will submit the application to the COGS Full Council for action. No funding will be distributed without COGS Full Council approval. It is strongly recommended that applications for group funding be submitted well in advance of the event, and at least two weeks before the next regularly scheduled Full Council meeting.
2. Only applications received at least two weeks prior to the COGS Full Council Meeting can be considered for any given month. See calendar section of website (www.cogs.msu.edu) for a schedule of meetings.
3. All applications must be submitted on a COGS Group Funding Application form. COGS Group Funding Application forms and the dates of COGS Full Council meetings are available in the COGS Office and at the COGS website (www.cogs.msu.edu).
4. The COGS Finance Committee will meet regularly throughout the semester (as per COGS By-Laws Section 14.2.1.1.1) to review funding requests and will report its recommendations to the COGS Full Council for approval.
5. The organization seeking funding must send a representative to the COGS Finance Committee meeting during which the request is to be considered. If a representative is not present at the time of consideration, the request will be tabled until the next Finance Committee meeting.
6. The COGS budget is a finite resource. Once funds allocated for funding requests are depleted, no more requests will be granted.

5 Requirements for Reimbursements

1. Prior to reimbursement, satisfactory evidence of payments made (e.g. canceled checks and receipts) and a copy of all printed materials must be submitted to the COGS Office before 5:00pm on the 30th business day after the event, or on the last Friday of June, whichever comes first. An extension may be granted only if extenuating circumstances exist and it is approved by the COGS Treasurer prior to the above stated deadline.
2. Funds are expected to be used in accordance with the submitted budget and in accordance with any revisions, stipulations or changes made by COGS.
3. Only minor changes in budget categories may occur after application approval. Any such changes must first be recommended by the COGS Finance Committee and approved by the COGS Treasurer.
4. Any changes to an approved application (i.e. date, location, etc.) must be recommended by the COGS Finance Committee and approved by the COGS Treasurer for that application to remain eligible for reimbursement.
5. Reimbursement of allocated funds will be made through the University account of the group. Reimbursements must be made to University accounts, and the COGS Office is unable to provide reimbursements in any other form.
6. Payment of a portion of the requested funds may be made before the event but only after the application has been approved by the COGS Full Council and authorization has first been obtained from the COGS Treasurer.
   (a) Authorization will only be given on for services provided by MSU entities (e.g. Union/Kellogg CTR/University printing charges.) COGS will NOT allocate funds directly to the group, but will transfer the funds only to the MSU entity's university account.
   (b) If the event is canceled and advance payments have been made, it is the requesting group’s responsibility to reimburse COGS for all funding that has been disbursed.
7. The COGS Treasurer shall prevent disbursal of funds until and unless the group has met all funding conditions. Groups that receive funding from COGS must not make a profit on the event. If a group’s event budget changes, COGS will not fund over the total amount of the event.

6 Acceptance of Conditions for Funding

1. It is understood that the Organization will, at its own expense, protect and hold harmless COGS, its officers, members, employees, and agents from all claims, damages, law suits and expenses, including but not limited to, all costs arising from administrative proceedings, court costs and attorney fees, that COGS may incur as a result of any act, omission, or negligence of the Organization or any of its officers, members, employees, agents, subcontractors which may arise out of this funding request.
2. The liability, if any, to COGS, its officers, members, employees, and agents with regard to the funding of the Organization for any claim, costs, damages, losses, and expenses for which COGS is or maybe legally liable, whether arising in negligence or tort, contract, or otherwise, shall not exceed the amount of funding provided by COGS. In no event shall
COGS, its officers, members, employees, and agents be liable for any indirect, special, or consequential damages.

3. The Organization shall not transfer any right or interest in this request without the prior written consent of COGS.

4. The Organization agrees to abide by all applicable federal, state, and local laws and ordinances, as well as all student rights and regulations set forth by Michigan State University.
