“Get Chitt Done” 5K Run/Walk

Sunday, March 25, 2012
11:00am—1:00pm

A race to raise awareness of Chittenden Hall: Purposing, funding & renovation as a graduate/professional student center!

Chittenden Hall is a historic building on Laboratory Row that has remained vacant for over 10 years. This 13,400 square foot facility was built in 1901 and was originally known as the Dairy Laboratory. Today, a stone plate marked “Forestry” is easily noticed above the front door. This was installed in 1913 when the Forestry Department replaced the Dairy Laboratory. The building was soon renamed Chittenden Hall, in honor of a forestry professor, Alfred J. Chittenden. This building deserves a great use and purpose.

All proceeds go to t-shirt & race day costs, more information can be found on the Get Chitt Done Facebook page.
